

KREEPY KRAULY®

GLOBRITE® LED LIGHTS

THE BEST AND BRIGHTEST FOR BREATHTAKING ILLUMINATION

When you install GloBrite® LED Lighting in a poolscape, poolside evenings go from great to spectacular. GloBrite lights are the creative, cost-effective way to showcase and enhance pool features like baja shelves, steps, beach entries and other shallow water features. GloBrite lights utilize the industry's most advanced technology for bright, energy-efficient lighting—while using less energy than comparable shallow water lights.

Don't settle for an ordinary poolscape experience... let GloBrite LED lighting illuminate your shallow water features and make your evening swims and backyard entertainment more beautiful and exhilarating.

THE SIMPLICITY OF COMPATIBILITY

The GloBrite light is more than a stand-alone shallow water LED light. It is fully compatible with our IntelliBrite 5g line of LED pool lights. When used with an optional IntelliBrite Light Controller, pool and spa owners without an automation system can enjoy fast and easy control of their pool lighting.

For the ultimate in convenience and control, consider an Automation System. You can program and control light shows from home or on the go.

PRODUCT FEATURES:

- The brightest and most efficient LED lights available.
- 5 brilliant fixed colors, 7 dazzling pre-programmed light shows.
- The perfect complement to IntelliBrite® 5g Color-changing LED Pool Lighting for dynamic, synchronized colored light shows.
- UL Listed.

GLOBRITE® LED LIGHTS

ADD THE MAGIC AND VIBRANCY OF LED LIGHTING

GloBrite LED lights are engineered with the brightest LED technology on the market and are the wave of the future in shallow water lighting. Five distinct and brilliant colors are built in to every GloBrite light for a vivid spectrum. There are also seven dazzling light shows that cycle at varying speeds, and in different sequences of color, creating incredibly beautiful and creative light shows that will mesmerize you and your guests. Plus, its extended service life and energy efficiency can make the savings really add up.

Concrete, vinyl and fiberglass niches available

An Eco Select® Brand Product

GloBrite lights have earned the Eco Select brand distinction as one of greenest and most efficient equipment choices from Pentair.
