UNDERWATER LED POOL LIGHTS

INTRODUCING COLORFUL POOLSIGHT NIGHTS

IntelliBrite 5g color-changing pool and spa lights feature LED technology - the wave of the future in energy efficiency, lifetime value, quality of light and the ability to control it.

- The brightest and most efficient underwater LED light available.
- Energy efficient - up to 82 % less energy consumption made possible by a custom reflector and unique lens design to eliminate glare and hot spots in the pool.
- Lens can rotate to 180 degrees to provide wide or narrow beam pattern.
- A vibrant spectrum of colors and light shows available.

With IntelliBrite 5g combinations of individual colored LEDs are mixed and matched to achieve a vibrant spectrum of colors. These combinations are power sequenced to illuminate and cycle through colors at varying speeds, and in different sequences of color. The result is a virtually endless range of dramatic underwater lighting effects at your command. Poolside nights go from great to spectacular.

- Set one of 5 predetermined fixed colors to match the mood for the evening... and change as desired.
- Select from 7 popular pre-programmed light shows.

INTELLIBRITE® CONTROLLER

UNDERWATER LED POOL LIGHTS CONTROLLER

SHOW OFF YOUR POOL

With IntelliBrite Controller you can create dazzling synchronized lightshows.

IntelliBrite Controller works with IntelliBrite Color Pool and Spa LED lights as well as MagicStream Laminars. You are able to fully control both sets of lights to create your favorite show.

FEATURES INCLUDE:

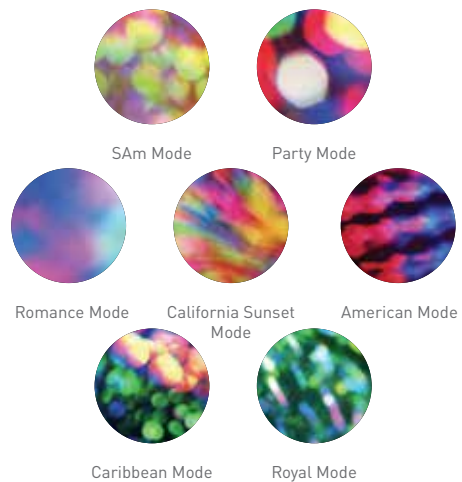

- Waterproof Outdoor LED color light controller
- Quick access to all colors and shows
- Convenient hold and recall function
- Illuminated power button

INTELLIBRITE® 5g LED WHITE UNDERWATER LED POOL LIGHTS

THE BRIGHTEST WHITE LIGHTING

The IntelliBrite 5g white LED pool and spa light is not only brighter than incandescent lights, it's the brightest on the market. In addition, its extended service life and energy efficiency can make the savings really add up. IntelliBrite 5g uses only 70 watts to create the same light output as a 500 watt incandescent light bulb. That's 85% less energy used! Available in 300 W, 400 W en 500 W incandescent equivalences for pool lights.

An Eco Select® Brand Product

IntelliBrite lights have earned the Eco Select brand distinction as one of greenest and most efficient equipment choices from Pentair.

ADDITIONAL FEATURES INCLUDE :

- The brightest and most efficient white LED pool light available.
- Energy efficient - using 82% less electricity than incandescent and halogen lights.
- Superior lens geometry and exclusive reflector design to create a wider beam and a more uniform light distribution, eliminates glare and hot spots.
- Lens can rotate to 180 degrees to provide wide or narrow beam pattern.
- 2-year limited warranty
